

Angas & Bremer takes its name from two rivers revered as the heart and soul of our region, where vines were first planted over 150 years ago. Despite our long and distinguished history, Langhorne Creek is often regarded as Australia's best kept wine secret.

## Grenache

### TASTING NOTE

Our Grenache has lifted aromas of red berry, cherry, subtle spice and confectionery undertones. The palate is medium bodied, bursting with fresh raspberry, red cherry and confectioned spice flavours. Drink with friends over a dish of traditional paella.
