

## ESTATE GROWN, FAMILY OWNED, WINES WITH CONVICTION

Over 70,000 men, women and children were transported to Van Diemens Land in the early 1800s. From roots of despair and hardship of our convict ancestors who wore the broad arrow as a mark of their servitude, Broad Arrow Wines aim to take you on a journey of hope and excitement as we capture the natural flavours of this ancient island.

## BROAD ARROW PINOT NOIR 2023

### VINEYARD

Spikey Bridge Vineyard is situated in Relbia, 12km south of Launceston, just below the convict built Kerry Lodge Bridge, or Spikey Bridge. Soils are brown loam and clay over ancient dolerite rock.

### VINTAGE

Spring was cool and wetter than average, leading to slightly delayed flowering and moderate crop levels. The season finished warm and relatively dry in the Tamar Valley, producing fresh, lifted fruit characters

### WINEMAKING

A small portion of whole clusters is added to small batch, open-top fermenters, spending a total of 13 to 14 days on skins. Pressed once dry, a portion is aged in barrel with the remainder left in stainless steel tank to retain freshness

<b>WINEMAKER</b>	Jeremy Dineen
<b>COMPOSITION</b>	Pinot Noir clones 115, MV6, D5V12, 777
<b>REGION</b>	Relbia, Tamar Valley Tasmania
