

River Retreat

The wetlands of the Murray Darling Region are integral to maintaining the health of the unique, yet fragile ecosystems of South Eastern Inland Australia. Trentham Estate's 'River Retreat' range of wines is based on an initiative dedicated to raising awareness of these wetlands.

Each purchase of the River Retreat label results in a donation to the [Murray Darling Environmental Foundation](#).

NV BRUT

Winemaking

The grapes were picked during the cool of the night, the fruit was de-stemmed and pumped into the press. Only the best quality of free run juice was taken off; then clarified before adding yeast. The fermentation was carried out at a cool temperature to maintain the fruit flavours. After fermentation the base wine was allowed to rest on yeast lees for 6 months before undergoing a second fermentation to produce the fine bubbles.

The Wine

Light green straw in colour with a fine persistent bead showing lifted aromas of citrus and apple. Tasting soft and refreshing with light creaminess and balance.

With Food

A delicate wine well matched with soft cheeses and canapes.

Wine Information

Varietal/s: Chardonnay and Pinot Noir
Region: Murray Darling
Alc: 11.5% VOL
Acid: 6.0g/L
pH: 3.47
